Online New Student Registration Guide

Undergraduate Students, Kasetsart University | Academic Year 2026 (KU86)

1. Log in to the education information system

Go to the Student Web system: <https://isea.ku.ac.th/STDWeb/>

- Enter your Thai national ID number.
- For international students, enter your passport number instead.

The screenshot shows the login interface for international students. The page title is 'STD_T08_01 : บันทึกจากระบบประวัติผลิผลใหม่'. The header includes the Kasetsart University logo and navigation links. The main content area has a search bar and a login section. The 'For International Students' section is highlighted with a red box, and a yellow callout box with a green arrow points to the 'Passport No. (เลขพาสปอร์ตต่างชาติ)' field, containing the text 'Enter your passport number'. The 'Pin Code' field is also visible. A 'Log in' button is at the bottom of the section.

2. Get your 6-digit Pin Code and sign in

Enter your 13-digit Thai national ID number, or your passport number if you are an international student. The screen will show a 6-digit Pin Code. (*** This Pin Code will be shown only once during your first login. Please write it down and keep it safe — you will need it for future logins.**) After that, click “Log in”. (If you lose your Pin Code, you can request a new one by emailing: admission@ku.ac.th Please include your full name, national ID number (for Thai students) or passport number (for international students), faculty, and program. The university will respond within 24 hours.)

The screenshot shows the login interface after a successful login. The page title is 'STD_T08_01 : บันทึกจากระบบประวัติผลิผลใหม่'. The header includes the Kasetsart University logo and navigation links. The main content area has a search bar and a login section. The 'For International Students' section is highlighted with a red box, and a yellow callout box with a green arrow points to the 'Pin Code' field, containing the text 'Pin Code'. The 'Passport No. (เลขพาสปอร์ตต่างชาติ)' field contains the value '9257856239591'. The 'Pin Code' field contains the value '132739'. A 'Log in' button is at the bottom of the section.

3. Fill in every section and save each tab

After logging in, the system will show your student ID number and your full Thai name. Fill in all required information in every menu tab, and make sure you click “Save” on every tab.

3.1 General information

This section includes your personal information and your parents’ information.

- Fill in all required fields and click “Save”.
- Your Thai and English first name and last name must match the spelling on your national ID card for Thai students only and in English for International students, exactly as it appears on your passport.
- Your English surname will appear in capital letters.
- If you do not know your father’s/mother’s name, Thai national ID number, card issue date, or card expiry date, you may enter your own Thai national ID number instead.
- For unknown issue/expiry dates for your father, mother, or guardian, you may use 31 December 2600 B.E. as the date.

Student photo upload

Upload your student photo as required by the university.

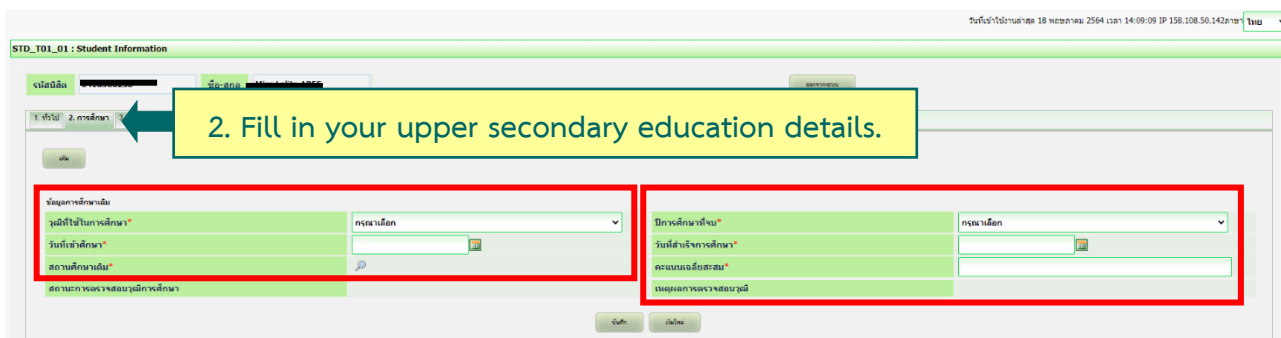

- Click “Choose File” / “Browse...”.
- Select your student photo file. The file must be .jpg only.

7. Check your account information and add a recovery email

- After the system saves your information, click “Continue”.
- Check your account details.
- Enter a Recovery Email for password recovery, then click “Update”.
- When finished, click “Logout”.

Details are as follows:

Recovery Email:	A backup email used to recover your password if needed.
Nontri Account (University's Main Account):	The main university account used to log in to KU systems. For undergraduate students, the username starts with “b” followed by the student ID, e.g., b69XXXXXXXX.
Google Email (University's Additional Service Account):	KU-Google for Education account under the @ku.th domain.
Office365 Email (University's Additional Service Account):	KU-Microsoft Office 365 account under the @live.ku.th domain.

8. Set up Multi-Factor Authentication (MFA) for KU ALL-Login (one-time setup)

8.1 Install Google Authenticator on your phone or tablet first.

Note: Make sure your device time is set to automatic.

8.2 Go to <https://my.ku.th> and click “KU ALL-Login”. Log in with your Nontri Account and password.

8.3 Scan the QR code shown on screen with Google Authenticator. If setup is successful, Google Authenticator will show “KU-ALLLogin: [Student ID]” with a 6-digit OTP that changes every 30 seconds.

9. Test your login

- Go to <https://my.ku.th> and try logging in.
- Username: b + your student ID, for example b69XXXXXXXX
- Password: the password you set
- OTP: the 6-digit code from Google Authenticator
- If you can log in successfully, your Nontri Account registration is complete.

For example, students can test their account access at my.ku.th

To test logging into the system via my.ku.th, use your 10-digit student ID (starting with 'b', e.g., b69XXXXXXXX) as the username, the password you just set, and the OTP generated by the Google Authenticator app.
